

Figure CNN based pretrained models training accuracy using CT dataset.

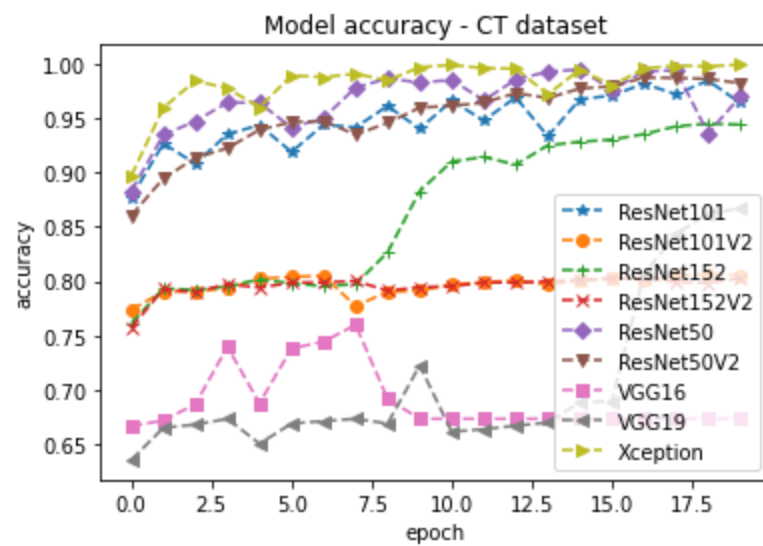

Figure CNN based pretrained models training accuracy using CT dataset.

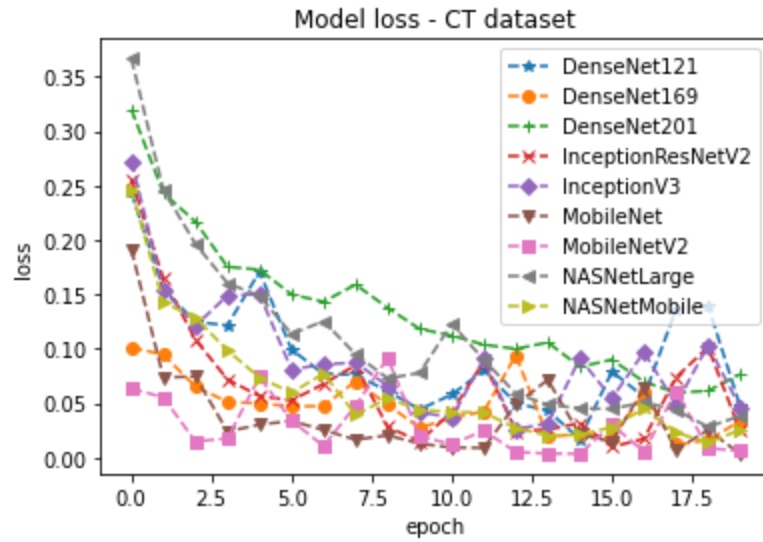

Figure CNN based pretrained models training loss using CT dataset.

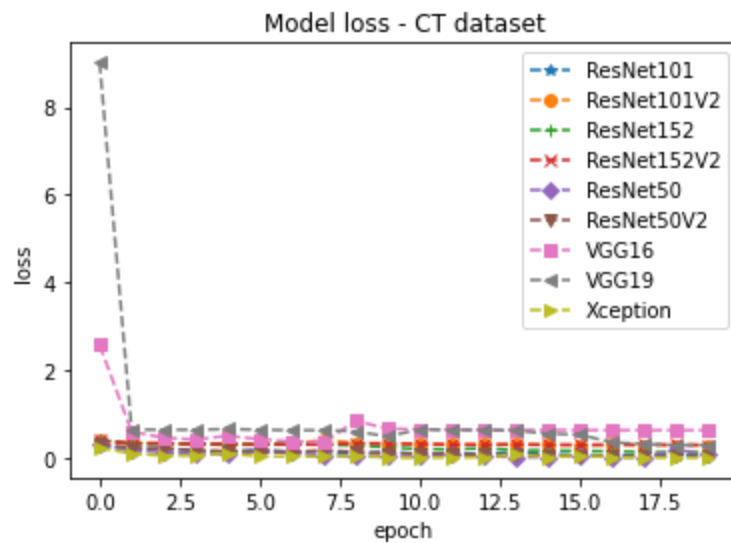

Figure CNN based pretrained models training loss using CT dataset.

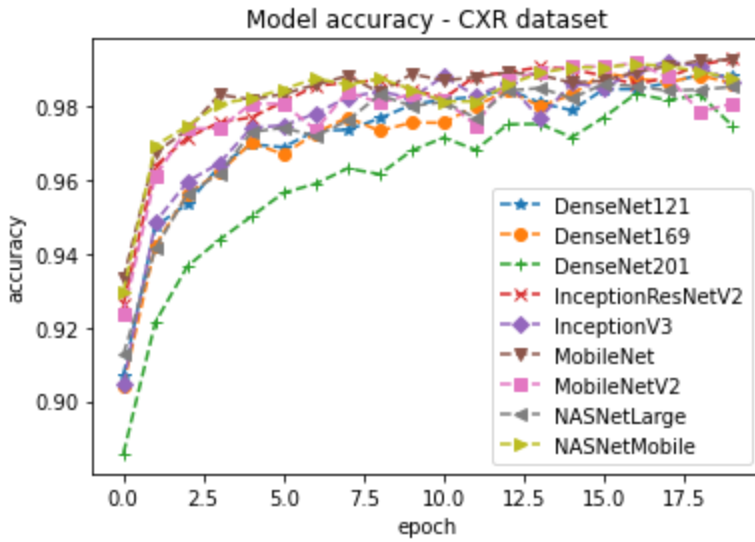

Figure CNN based pretrained models training accuracy using X-ray dataset.

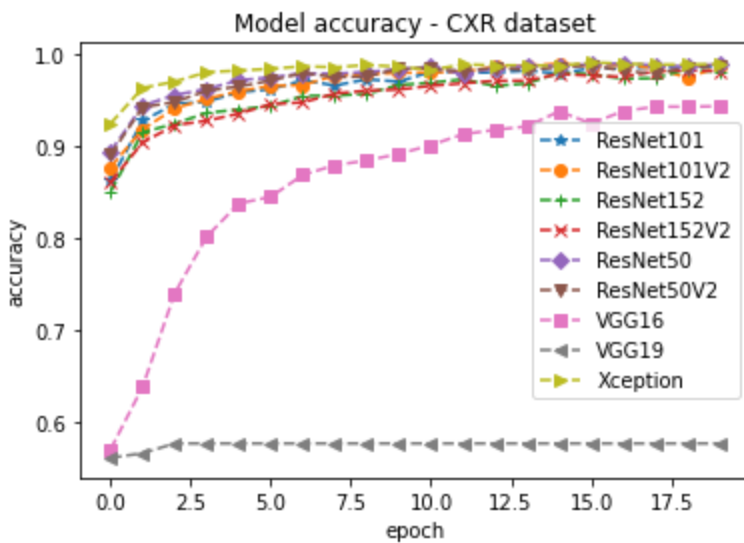

Figure CNN based pretrained models training accuracy using X-ray dataset.

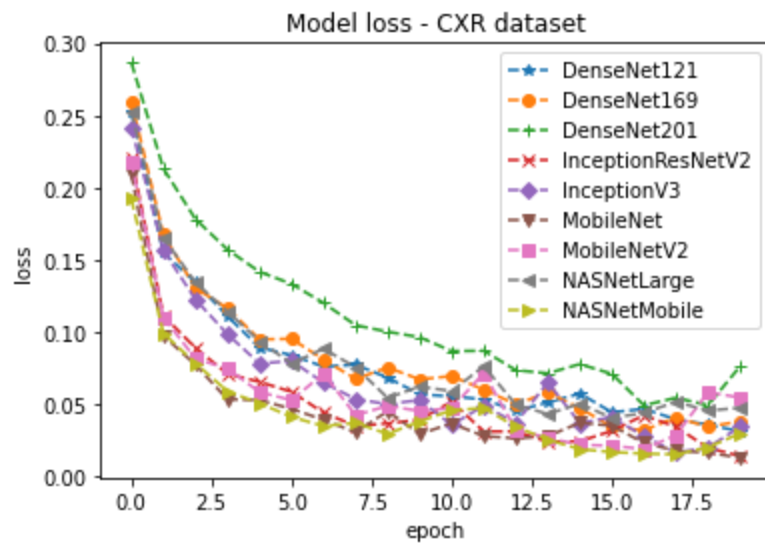

Figure CNN based pretrained models training loss using X-ray dataset.

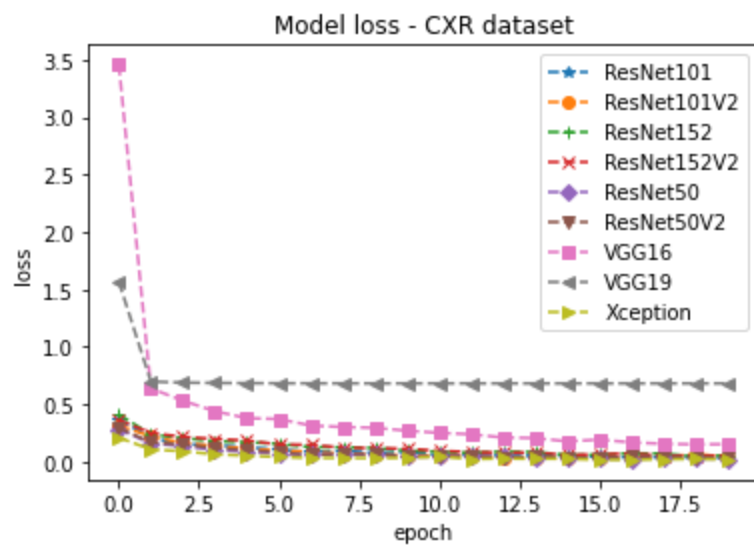

Figure CNN based pretrained models training loss using X-ray dataset.

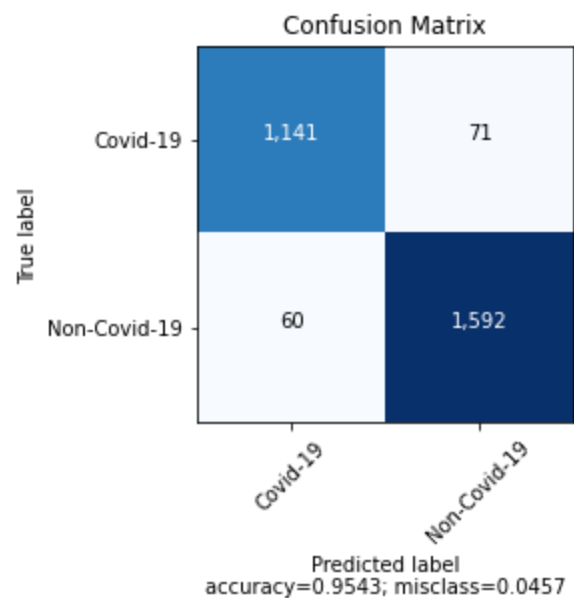

Figure Confusion matrix for Eb0 using X-ray dataset.

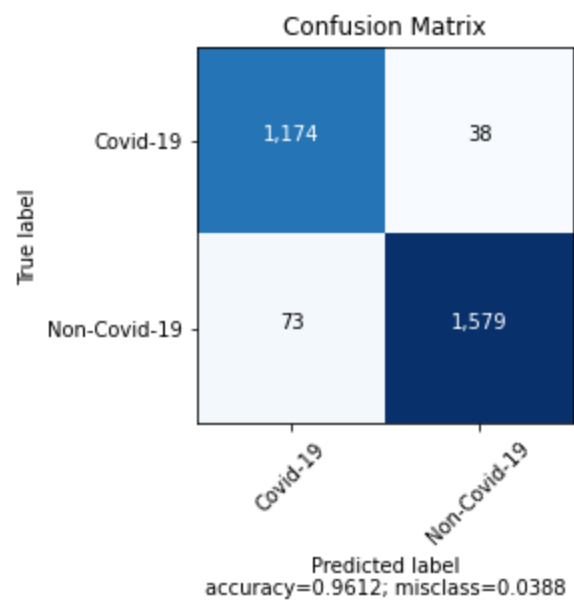

Figure Confusion matrix for Eb1 using X-ray dataset.

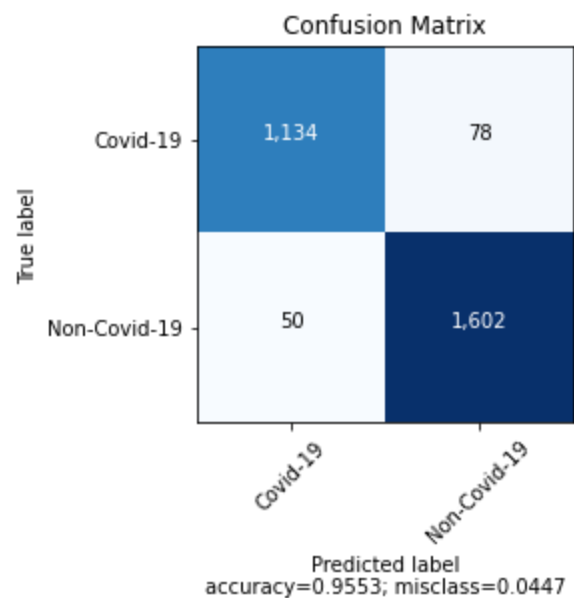

Figure Confusion matrix for Eb2 using X-ray dataset.

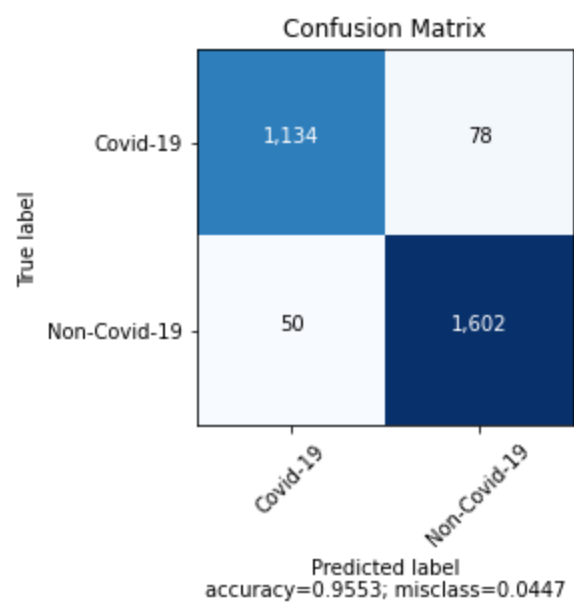

Figure Confusion matrix for Eb3 using X-ray dataset.

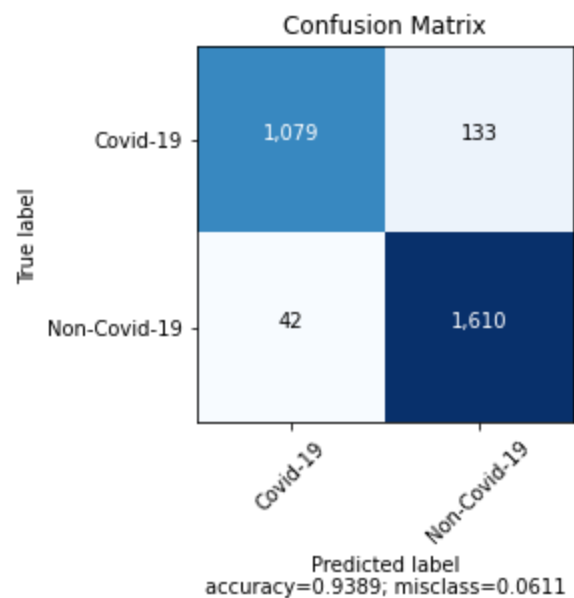

Figure Confusion matrix for Eb4 using X-ray dataset.

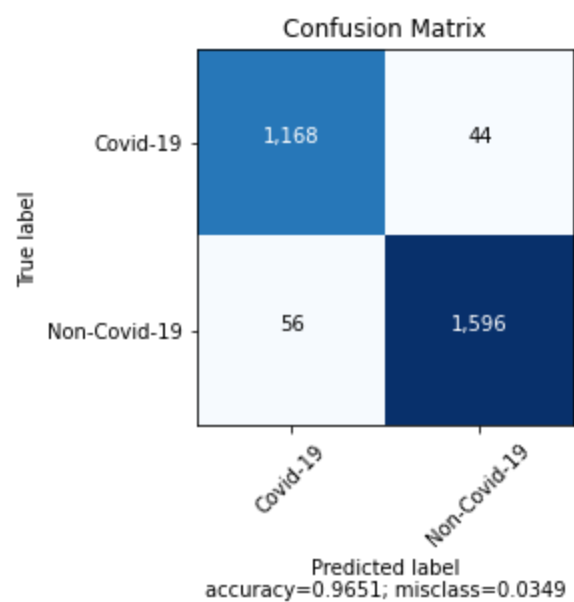

Figure Confusion matrix for Eb5 using X-ray dataset.

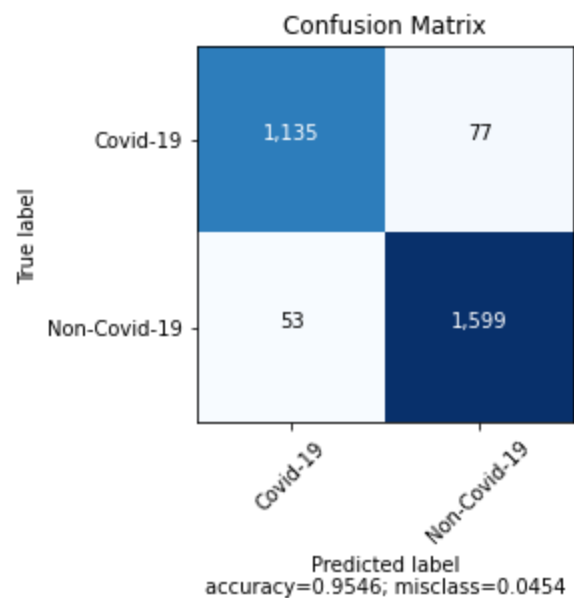

Figure Confusion matrix for Eb6 using X-ray dataset.

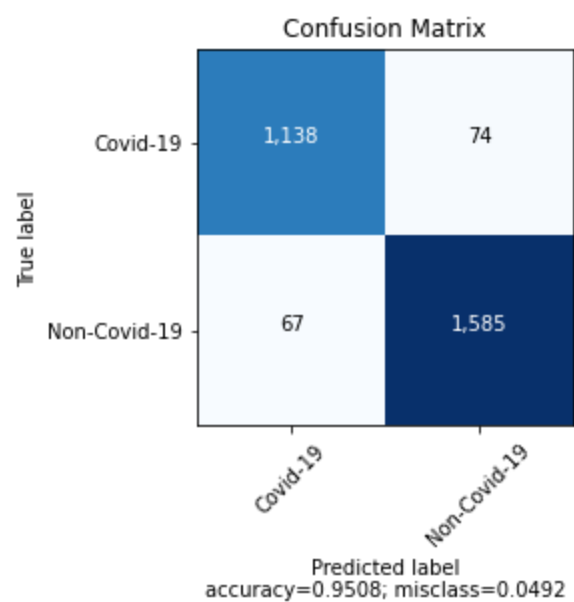

Figure Confusion matrix for Eb7 using X-ray dataset.

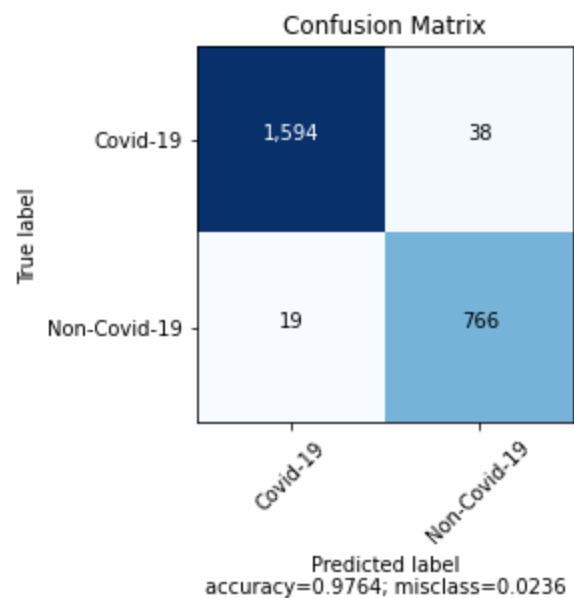

Figure Confusion matrix for Eb0 using CT dataset.

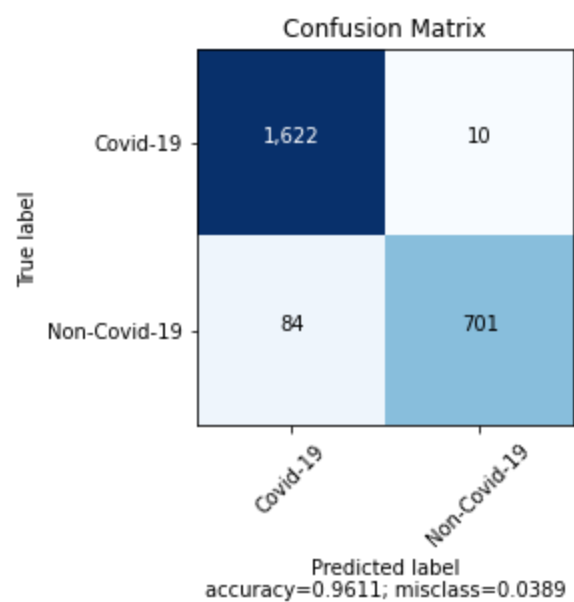

Figure Confusion matrix for Eb1 using X-ray dataset.

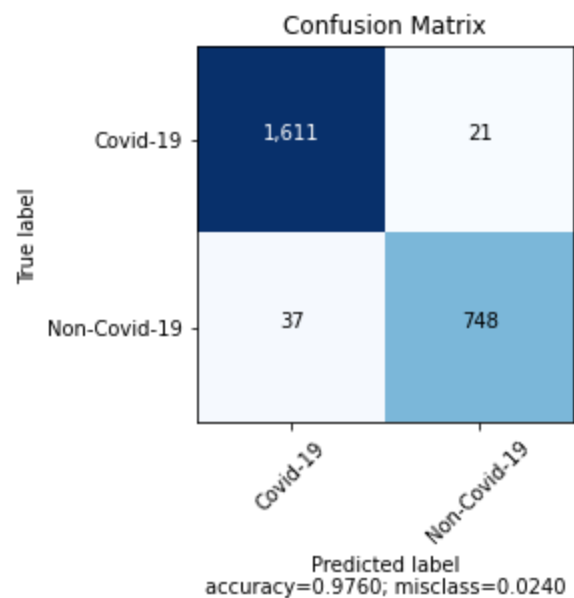

Figure Confusion matrix for Eb2 using X-ray dataset.

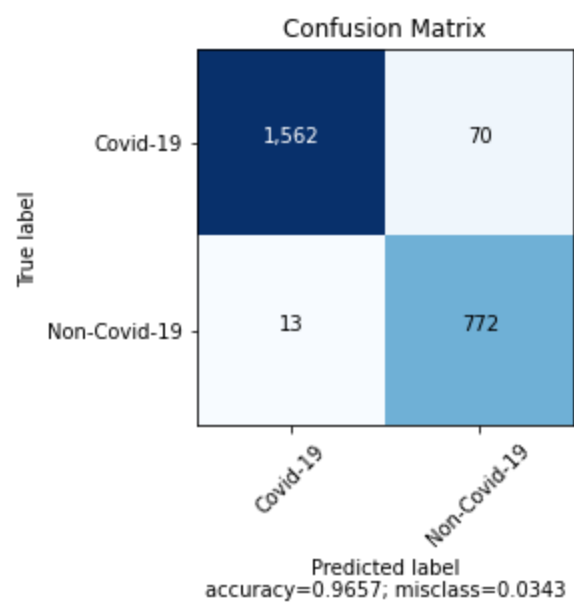

Figure Confusion matrix for Eb3 using X-ray dataset.

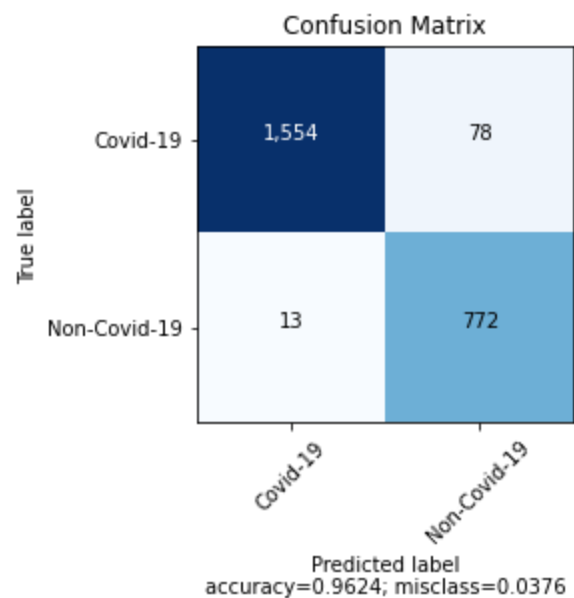

Figure Confusion matrix for Eb4 using X-ray dataset.

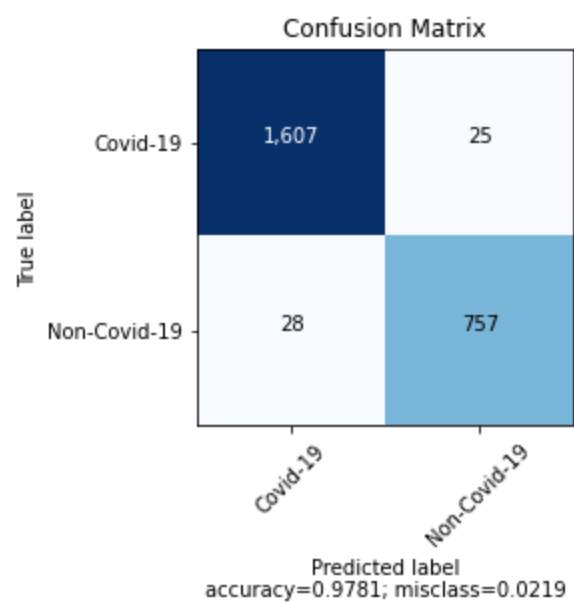

Figure Confusion matrix for Eb5 using X-ray dataset.

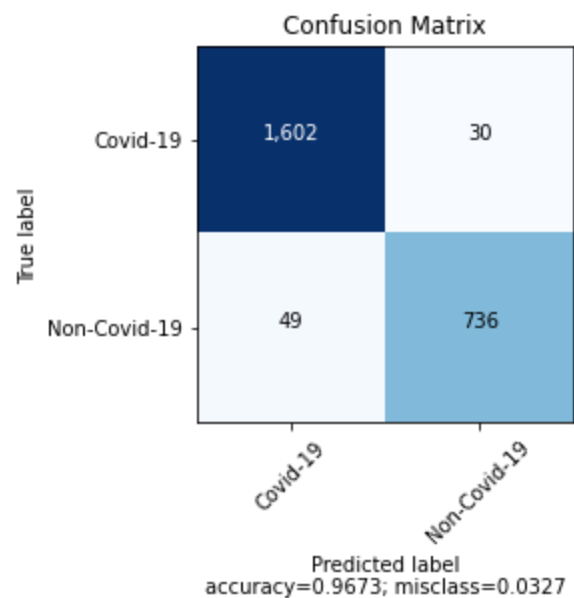

Figure Confusion matrix for Eb6 using X-ray dataset.

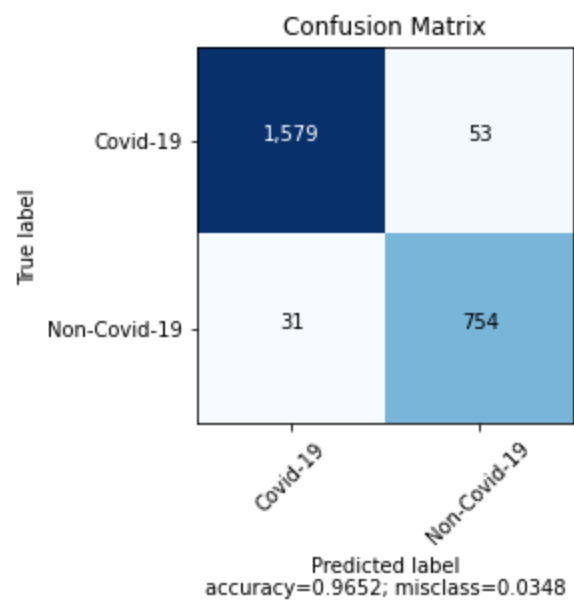

Figure Confusion matrix for Eb7 using X-ray dataset.
